## *Message of Hope*

Because of YOU...

Over 70 families in Brevard and Indian River Counties are able to receive emotional support and financial assistance

Because of YOU...

Over 20 programs and services are provided to children and families during the most critical time in their battle against pediatric cancer

Because of YOU...

Candlelighters is able to support bereavement families with emergency assistance funding, attend funerals, offer counseling services, provide a memorial tree and so much more

Because of YOU...

Candlelighters continues to be able to fully fund all families even in the midst of COVID, event cancellations, and other obstacles

Because of YOU...

Critical funds will be raised through the Operation Superhero Campaign honoring our courageous superheroes

Because of YOU...

The Candlelighters Staff and Board are able to serve out the mission of serving our community and precious youth...

BECAUSE OF YOU...

Kids won't fight cancer alone

With gratitude, compassion, and care,

*Candlelighters Executive Staff and  
Board of Directors*

## *Raelynn Rivers*

**June 4, 2013 - June 16, 2021**

Raelynn was one of a kind. She was wise beyond her years and wittier than most. She was a free spirit with a gentle soul. Her love shined through her infectious smile and could turn your whole day around. Her sass was truly her greatest gift. Her sass gave her strength through her fight and it gave me strength as well. She would tell you exactly what was on her mind at any given time. She loved to dance and sing. She would put on shows with her little brother and they would sing and laugh and dance for hours. Her heart was pure. She loved her family and friends so much. She would always welcome any new faces with

a smile. She loved telling jokes and sneaking pranks in anytime she could. Dressing up was always every weekend almost and of course a fashion show down the hallway. Her time here on earth was limited but the impact she made will last a lifetime.

She will always be missed and loved,

*~Mom*

## *Ethan Dwayne Thomas*

**October 18, 2002 – April 27, 2021**

Ethan was an "old soul" .... loved vintage things. His favorite past time was listening to a very wide range of music genres, but his favorite genre of music was 70's classic rock like the Steve Miller Band with his favorite song being "Jungle Love" by them. He adored his car which he bought from his grandmother at 15 (Mercury Grand Marquis) & had been working on restoring it.

Ethan was a Boy Scout & had been working hard on achieving the status of Eagle Scout. He also wanted to be in the Air Force. Ethan enjoyed working & hanging out with his friends. He also collected Hawaiian shirts of which he had about 50 of them. Ethan was very loving, kind, sweet, smart beyond his years & his personality was through the roof & so handsome. As an Arnold Palmer miracle baby he/we had beat all the odds stacked against him, but unfortunately when diagnosed with the Glioblastoma in 2020 it was one obstacle we couldn't beat even though he fought super hard this past year, such a trooper.

He was a brother, a son, & an uncle. Ethan has truly left a huge hole in our lives & hearts.... greatly missed every second of the day....

TRULY OUR HERO! We LOVE YOU, Ethan!

## GRATITUDE from our FAMILIES

The first week of August 2011, Noah was only 9-years old and very ill, and we received his diagnoses of Acute Myeloid Leukemia (AML) at Arnold Palmer Hospital. Needless to say, our family was in shock and had no idea the spiritual journey we were about to take. Noah was surrounded by an incredible Team of Oncologists and nurses, and our family was immediately surrounded by prayer warriors, loving staff at Ronald McDonald House and Candlelighters' of Brevard! After 4-months of intensive treatments, Noah was cancer free and a living testament to others battling cancer that there is HOPE!

During Noah's treatments, he had the opportunity to watch the medical Life Flight helicopter take off and land at ORMC, which is located adjacent to Arnold Palmer Hospital. That is where Noah's passion to fly resonated in his heart. 10-years later, on July 29th, 2021, Noah is now 19-years of age, remains cancer free and earned his Private Pilot's License! Noah continues to provide HOPE to others through his positive attitude and perseverance to accomplish his dreams. There's no doubt that Noah will always be a beacon of HOPE for others battling cancer, and one day accomplish his dream of becoming a Commercial Airline Pilot.

Candlelighters' of Brevard was our extended family in Brevard County that filled the gaps during our family's most difficult life challenge...Thank you to the staff, volunteers and generous supporters who provided HOPE to our family! Isaiah 41:10

# Andretti Thrill Park FAMILY OUTING

The Andretti Thrill Park outing was the first event we attended as a Candlelighter family. It was nice to meet other families who are going through the same struggles as we are. It was great to meet the staff in person that runs this wonderful organization. Our family has been blessed to be a part of the Candlelighters family. They have really come through and helped us in our time of need. It was truly inspiring to see just how many families Candlelighters provides assistance for and how hard they work to organize such events that help these kids have a fun time and forget about what they are going through.

Our son Cameron was like a kid in a candy store! He ran from game to game, bowled, rode go-karts, played air hockey, and couldn't wait to see what kind of prizes he was going to be able to pick out with his tickets. As a family, we truly needed this night out. It was great to see that smile on his face. We eagerly look forward to the next outing.

Thank you,

- The Stilwell Family

A special shout out to Ed Velazquez and Lauren Stelmacki from Moe's Southwest Grill Catering for your exceptional, generous donation, and excellent service in providing delicious, boxed tacos and burritos for our families. Attendees also enjoyed the amazing treat of Ben & Jerry's ice cream.

Thank you to our friends from Ben & Jerry's: Lauren Ogborn-Giacone, and Keyllan for the donation. Lastly, a shout of thanks to Andretti Thrill Park, Daniela Rojas, and staff for giving us a night of fun that will be forever treasured.

# Light THE TOWN GOLD

## National Childhood Cancer Awareness Month Campaign

Candlelighters honored and celebrated National Childhood Cancer Awareness Month during September with a symbolic tree lighting in Nance Park. The Tree Lighting ceremony was an effort to raise both awareness about the harsh realities of childhood cancer and to build a united community to fight alongside our heroes. The ceremony also kicked off our month-long Light the Town Gold campaign!

Local businesses and residents decorated their storefronts and homes in gold to recognize the color of childhood cancer awareness. Thank you to everyone who joined Candlelighters in our mission to provide emotional support and financial assistance to local families battling pediatric cancer. Stay connected with our organization to help raise awareness within our community year-round!

# **OPERATION SUPERHERO**

Candlelighters presents the 2021 Operation Superhero Experience! In collaboration with Jason Hook Photography, we celebrate and recognize our Candlelighter children for the heroes they have become during their fight against cancer.

This program was created to celebrate our courageous fighters in the midst of their battle against the villain, cancer.

Candlelighters' Operation Superhero provides families with a professional superhero transformational photoshoot experience through Jason Hook Photography. Participants joined together for a reveal party where they enjoyed their very own red carpet, private theater, and special Hollywood-themed afterparty. Each superhero viewed their personalized movie trailer created by 142 Productions before the final reveal of their movie poster. The images will be cherished as a constant reminder of the strength our superheroes possess. We are proud to introduce the newest members of Candlelighters' own justice league!

Meet Zion aka Iron Man! Zion was diagnosed with Diffuse Leptomenigeal Glioneuronal tumors on his spine in October 2018 at the age of 10. He battled and beat every obstacle he faced during his challenges which included multiple surgeries, intense treatments, and learning to walk again. Zion is now 14 years old and continues to heal, gain strength, and enjoy his teen years.

Meet Trinity aka Zatanna! Trinity was diagnosed with Langerhans Cell Histiocytosis (LCH) in August 2014 at the age of 7. She endured 36 months of treatment and multiple surgeries and complications. Trinity is now 14 years old and fully embracing life as a big sister and a decorated girl scout who uses her experience to give back to our community.

Meet Bailey aka Black Widow! Bailey was diagnosed with PH+, B-Cell, Leukemia in March 2017 at the age of 13. Treatment was going as expected until August 10th when she developed Sepsis, and was admitted to the ICU, eventually being put onto a ventilator, drug induced coma, where all her organs began failing. Bailey remained in remission for nearly 2 years before relapsing this summer at the age of 18. She is currently on treatment and undergoing CAR-T Cell Therapy.

Meet Empress aka Storm! Empress was diagnosed with stage 4 Neuroblastoma in January 2011 at the age of 4. She was treated with chemotherapy, radiation, and stem cell transplant. Empress is now 15 years old and has been cancer-free for 10 years and is living life to the fullest!

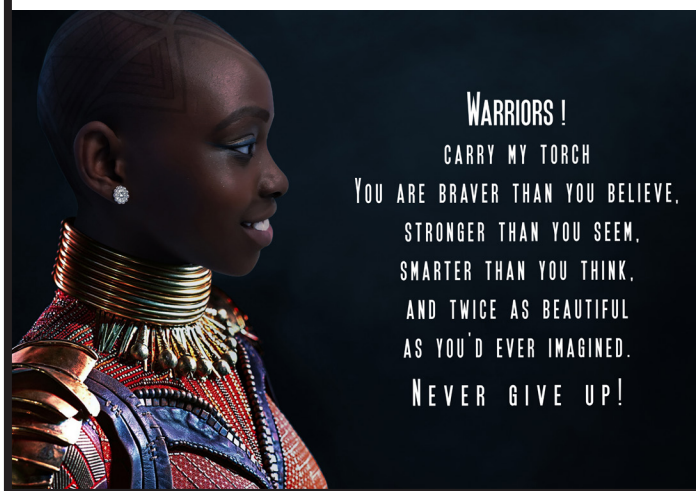

Meet Mitchell aka Incredible Hulk! Mitchell was diagnosed with B-Cell non-Hodgkin's Lymphoma in June 2019 at the age of 4. He lost most of his vision from brain swelling caused by the cancer. Currently Mitchell is undergoing chemotherapy. His positive and witty personality along with his beautiful old soul are his sidekicks in his battle against cancer.

A Loving Tribute to Kira. Kira was diagnosed with Stage 4, metastatic Ewing Sarcoma on December 28, 2016 at the age of 10. She persevered through 11 months of treatment with grace, a bit of humor, and faced her diagnosis like a champ! On January 31, 2018 Kira gained her angel wings.

In August of 2018, Jason Hook Photography and Space Coast Living Magazine did a spread focused on local "Survivors". This issue profiled local community leaders that have survived major obstacles in their lives. Shamika Chamberlin, Kira's mother, was featured as a bereavement survivor and Natasha Duran, Executive Director of Candlelighters, was featured for surviving Lupus. It was during that photoshoot with Jason Hook, that this Operation Superhero Program was brought to life for the children of Candlelighters. Thus, we offer this one time bereavement spotlight in honor and memory of Kira Chamberlin.

## THANK YOU CENTRAL FLORIDA SHOOTOUT

Candlelighters is honored to recognize the generosity and impact of the 10th Annual Central Florida Shootout! This local fishing tournament and fundraiser has created a legacy of giving in our Brevard community. The Central Florida Shootout has raised \$75,000 for the children of Candlelighters over the past 4 years alone! The organizers and volunteers of the Central Florida Shootout continue to serve as ambassadors to raise awareness and donations to support families during their devastating diagnosis of cancer. Special gratitude is provided to the Mecchella Family for their leadership of the event!

Event participants gathered together in May to raise funds for the selected charities in celebration of the event's 10th anniversary. Candlelighters was honored to be one of three local beneficiaries; joining Taylor 4 Teens and Cancer Care Centers. The event raised an incredible \$25,000 for Candlelighters this year. The hard work and dedication that continues to be invested into this event by sponsors, participants, volunteers, and the event organizers speaks volumes of the love and care this group provides to the Brevard community. Thank you to everyone involved with the Central Florida Shootout for continuing your support to provide our local families with the much-needed resources to battle pediatric cancer!

# Thank You's!

"Because kids can't fight cancer alone."

## Tracey and Kris Latshaw

Tracey and Kris Latshaw play a critical role as outstanding supporters and sponsors of our programs, services, signature fundraisers and growth initiatives. This philanthropic couple has personally contributed over \$37,000 since 2016 to Candlelighters.

Tracey proudly serves as a current member of Candlelighters' Board of Directors. Kris volunteers in many capacities in support of event initiatives. They are a couple working together to serve our community and organization. Tracey and Kris are a bright light to the families of Candlelighters.

## Michelle & Steve Russell

Michelle and Steve have been top Candlelighter supporters through the gifting of their event sponsorships, direct contributions, campaign initiatives and more. We want to recognize and thank Michelle and Steve Russell for their financial support of nearly \$31,000 over the past 5 years.

Their humility in their giving is inspirational and appreciated by the Candlelighters of Brevard's Board of Directors and Executive Staff. They are a vital part of our Candlelighter family of supporters.

# Thank You's!

"Because kids can't  
fight cancer alone."

## Abram "Tarzan" Miller

Tarzan has truly inspired our Candlelighters organization by turning his passion for fishing into fundraising! Abram is a remarkable young man who with the help of friends, family and sponsors raised nearly \$1,500 at a Pelagic Nights event hosted at Papa's Raw Bar. Tarzan also used his social media presence to raise awareness for Candlelighters and pediatric cancer throughout the month of September in honor of National Childhood Cancer Awareness Month.

Candlelighters is honored to have Tarzan share his talents to help raise funds and awareness for our local families battling pediatric cancer.

## Community Foundation for Brevard

**Community  
Foundation**  
FOR BREVARD

Candlelighters of Brevard is grateful for the relationship built with the Community Foundation for Brevard. Candlelighters benefits from donations in the form of annual grants from several of their fund holders. Additionally, an endowment for Candlelighters is managed by the Community Foundation and aides in our long term planning and sustainability. Since 1981, the Community Foundation for Brevard ([cfbrevard.org](http://cfbrevard.org)) has helped charitably minded donors invest their philanthropic gifts wisely, nonprofits serve the region effectively, and inspired people to make the community a better place.

*Note: An endowment is a perpetual gift that can be designated for Candlelighters of Brevard either towards general services or a specific program. The original gift remains intact, and the income is used toward the designated area of service. An endowment can be instituted in memory of a loved one, or a donation can be added to an existing fund that will contribute to the organization indefinitely. The Community Foundation for Brevard manages all endowment gifts. For more information or give towards the COB endowment, please email [information@candlelightersofbrevard.org](mailto:information@candlelightersofbrevard.org).*

## iHeart Media

Candlelighters shares our appreciation with iHeartMedia Melbourne! iHeart Melbourne operates radio stations WFKS (Kiss 95.1), WLRQ (Lite Rock 99.3), and WMMB (News Talk WMMB). As the leading media company in America, iHeartMedia delivers music, news, talk, sports and other content to diverse audiences across multiple platforms.

This generous company utilizes its multi-platform assets to benefit community non-profits to share their messages, news and announcements year round. Through an annual program, iHeart donates over \$25,000 in ad space to allow Candlelighters the chance to bring awareness to our mission and share about the programs and services we provide to local families battling pediatric cancer.

## Space Coast Education Center

Thank you Space Coast Education Center for your annual donation to Candlelighters! Their team presented a donation of \$2,000 at the end of the school year. In addition to financial contributions, with their healing hands and compassionate touch, they provide massages to COB families during and after treatment through the Candlelighters' Therapeutic Wellness Massage Service.

## **CANDLELIGHTERS THANKS ALL DONORS, VOLUNTEERS & FAMILIES**

Candlelighters appreciates all the donors, volunteers and families that have given so much over the years. We appreciate the flexibility of our volunteers - the openness of our families - the generosity of our donors - the guidance of our board members - and the strength of our community. The executive staff would not be able to serve the mission if it were not for all of these individuals and businesses coming together to serve the children of our counties battling pediatric cancer. Thank you for every dollar, every hour, every treasure invested into our organization this year!
